Motion was made by Mr. Upchurch to approve the minutes of the November 15, 2012, meeting. Mrs. Kelsey seconded the motion, which passed unanimously.

There was no Old Business.

There was no New Business.

Mr. Jim Logan presented the financial report through December 31, 2012. Assessment receipts of \$3.8 million reflect collection of 93% of the total assessment for the year. The balance should be received in January. Total expenditures through December were \$2.9 million. Funds by account breakdown with \$4.07 million in the Treasury, \$199,897 in the Trustmark TPA account, and \$11.4 million in investments. Mr. Logan advised that the fund has \$6.3

million reserves, and \$9.3 million unencumbered cash. Claim payments to-date total \$941,901; legal expenses total \$619,226; other expenses total \$9,815. The average claim paid is \$2,155 with an average reserve of \$9,225. Mr. Logan then reviewed the Budget Comparison Report through the first allotment period by category.

Mr. Jeff Wilson reviewed the December 2012 portfolio highlights. The total portfolio of \$11.63 million reflected a yield of 1.75% at the end of December. This is the first time in the last six months we've seen an increase in this percentage. One more hurdle remains with the debt ceiling, but Mr. Wilson still expects to achieve 2% by fiscal year 2013 year-end.

In Mr. Milner's absence, Mrs. McElroy reviewed the Loss Control activities since the last Board meeting. The four (4) emergency responses were MEMA-related. You will see those reported when state agencies are involved. Mr. Milner is in McComb this week conducting Defensive Driving classes for the Department of Transportation. He will cover one district a month, wrapping up with Tupelo in May. MDOT is making this training mandatory statewide for all personnel who currently operate or who may operate an agency vehicle. We are very excited about this collaboration! Feedback from participants and MDOT administration is very good. MDOT is very happy with the money we are saving them since Mr. Milner's services are free.

Mrs. McElroy presented one (1) attorney for inclusion in the approved Attorney Register: Scott F. Singley of Brunini, Grantham, Grower & Hewes, PLLC. Mr. Singley meets the eligibility requirements of the Board and staff recommends approval. Mr. Upchurch moved to approve and Mrs. Kelsey seconded. The motion passed unanimously.

Mrs. McElroy presented a list of 107 political subdivisions with the recommendation that all be approved for renewal of Certificates of Coverage. Mr. Upchurch made a motion to approve the list and Mrs. Kelsey seconded the motion, which passed by unanimous vote.

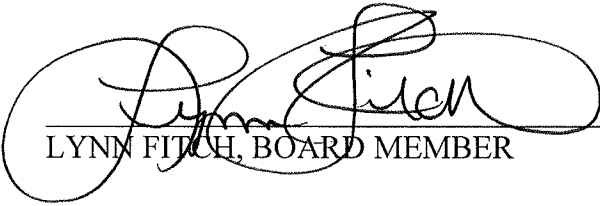

There was no Claims Report.

There being no further business to come before the Board, the meeting was adjourned.

Upchurch, Kevin; Executive Director, MS Department of Finance and Administration

Younger, Jim; Department of Public Safety

Motion was made by Mr. Upchurch to approve the minutes of the September 13, 2012, meeting. Mrs. Jackson seconded the motion, which passed unanimously.

Under Old Business, Mrs. McElroy reported that she had spoken with Mr. Thomas McElroy in the Governor's Office regarding the progress of finding a new Chairman. Mr. McElroy indicated that he hoped to have someone by the January 2013 Board meeting.

Under New Business, Mrs. McElroy provided a list of all 2013 Board meetings for planning and scheduling purposes.

Mr. Jim Logan presented the financial report through October 31, 2012. Assessment receipts of \$3.5 million reflect collection of 85% of the total assessment for the year. Total expenditures through October were \$1.5 million. Funds by account breakdown with \$4.58 million in the Treasury, \$305,752 in the Trustmark TPA account, and \$11.4 million in investments. Mr. Logan advised that the fund has \$6.7 million reserves, and \$9.5 million unencumbered cash. Claim payments to-date total \$338,433; legal expenses total \$397,272;

other expenses total \$7,422. The average claim paid is \$1,117 with an average reserve of \$8,744. Mr. Logan then reviewed the Budget Comparison Report by category.

Mr. Jeff Wilson reviewed the October 2012 portfolio highlights. The total portfolio of \$11.55 million reflected a yield of 1.43% at the end of October. The numbers are magnified by the "fiscal cliff" which remains unresolved. Mr. Wilson looks for rates to improve after the first of the year, and still expects to achieve 2% by fiscal year 2013 year-end.

In Mr. Milner's absence, Mrs. McElroy reviewed the Loss Control activities since the last Board meeting. Mr. Milner worked 14 days of State Fair duty. Attendance is reported at 656,118 and, for the second consecutive year, we have no known claims. This is the result of a great collaborative effort on the part of the Fair Commission, the State Fire Marshals, and Mr. Milner. Steve is in Yazoo City this week conducting Defensive Driving classes for the Department of Transportation. He will be in Newton next week and will complete all other districts in 2013. MDOT is making this training mandatory for all personnel operating vehicles statewide. We are very excited about this collaboration!

There was no Attorney General's Report.

Mrs. McElroy presented a list of 38 political subdivisions with the recommendation that all be approved for renewal of Certificates of Coverage. Mr. Upchurch made a motion to approve the list and Mrs. Jackson seconded the motion, which passed by unanimous vote.

Mr. Donaldson presented the Claims Report regarding the case of the Estate of Kenneth Bliss v. Mississippi Department of Mental Health/Jaquith Nursing Home. Claimant's attorney made a demand for \$250,000. Staff recommendation, and that of our defense attorney, is to approve this settlement amount. Following a review of the facts and discussion, Mr. Upchurch made a motion to approve the settlement recommendation of \$250,000. Mrs. Kelsey seconded the motion, which passed by unanimous vote.

There being no further business to come before the Board, the meeting was adjourned.

RE: Approval for Mississippi Torts Claim Act Representation

Dear Ms. McElroy:

I am writing for the purpose of submitting my request for approval to perform Tort Claims Board work.

I have practiced law in Mississippi and Alabama for more than 12 years, and I have been a partner in the Brunini Law Firm since 2008. My practice focuses on litigation with various subspecialties, including labor and employment, commercial litigation, healthcare litigation, and personal injury litigation. I have been awarded an AV Preeminent rating by Martindale-Hubbell. I have attached a detailed resume which contains additional information about my practice.

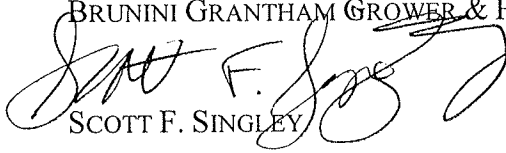

The Brunini Law Firm has a proud tradition of representing various state entities over the years. The Firm is currently performing litigation work for Secretary of State Hosemann, and employment litigation work for multiple Institutions of Higher Learning in Mississippi. I am seeking approval to perform Tort Claims Board work in order to allow the Firm to better serve state entities in Mississippi. Since I am located in the Firm's Columbus office, my addition to the approved list would allow the Firm to provide better service to state entities in matters located in Northeast Mississippi.

December 27, 2012

After you have had an opportunity to review the enclosed resume, please feel free to call me and let me know if there is anything else you may need from me. Thank you in advance for your consideration.

Sincerely,
